off an AI service from the world

Anthropic to disable its most advanced AI models after US order limiting foreign access

Company said US government believes safeguards can be
bypassed and product used to identify software
vulnerabilities

📹 The US government ordered Anthropic to suspend access to its Fable 5 and Mythic 5 models to foreign nationals. Photograph: Samuel Boivin/NurPhoto/Shutterstock

RESIDENCY $\neq$ SOVEREIGNTY

where data is stored vs who can compel access

WHY THIS IS ABOUT POLITICS

THE MECHANICS

**Procurement builds markets — and
destroys them**

THE MECHANICS

Standards are information policy

US · MARKET-DRIVEN

**CHINA ·
STATE-DRIVEN**

EU · RIGHTS-DRIVEN

THE MECHANICS

Think supply security
